## Local Consumer-Driven Health Plan (LCDHP) Benefits

This is a high-deductible health plan as defined by the IRS. Local Consumer-Driven Health Plan (LCDHP) members may choose any physician or hospital for medical services; however, members receive enhanced benefits, resulting in lower out-of-pocket costs, when receiving services from a LCDHP in-network provider. LCDHP has a nationwide network of providers through Aetna PPO. Benefits are outlined in the plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the LCDHP. For a copy of the SPD, contact the plan administrator.

- \* Members with one or more dependents on their coverage must satisfy the family annual plan year deductible before services will be covered at the plan's benefit levels.
- \*\* Using out-of-network services may significantly increase your out-of-pocket expense. Amounts over the plan's allowable charges do not count toward your plan year out-of-pocket maximum; this varies by plan and geographic region.
